"WOLVES of the NORTH"

Universal Chapter Play

Starring WILLIAM DUNCAN and
EDITH JOHNSON

No. 4—"Passions of War"

ALAN, Joe and Helen dig their way out of the cabin. Helen accidentally shoots Alan, who fakes a fall and takes her gun away so she can't rescue Joe. Meanwhile, Madge has told Blake, a "fence," that Alan Gray is an assumed name. Blake helps her recover the furs stolen from her by pirates.

Mears and his men hold-up Alan and release Joe; but Alan pursues him until he loses the trail. He returns to the Post just in time to start off on a race with the rival Post's tripper to get Me Pa See's furs. Alan's sled gets beyond control and he and it topple over a steep cliff.
